

CKS Glass Hardware Sdn Bhd established in year 2000, is a specialist in providing glass hardware and fittings for glass & aluminium industries.

CKS, our pioneer brand registered since year 2002 in Malaysia, China, Thailand, Indonesia & Vietnam, is Malaysia's most established local brand in the industry. Our company is ISO 9001 Quality Management System certified company since year 2008, we exceeded our ISO KPI and consistently provide products and services that meet our customers' requirement; and continually improve on our products, processes and system to enhance satisfaction, proving our commitment to quality.

As part of our commitment to quality, CKS engaged TUV SUD PSB P/L (Singapore) and SIRIM (Malaysia) to conduct product durability testing for our main product line. To prove our commitment to customers, we are the first to provide 7 years product warranty to our main product, and that we have a dedicated professional technical support team.
